A Tale Of Two Centuries

A Tale of Two Centuries for me was a huge step up from Harris' debut novel; My Super Sweet Sixteenth Century. I thoroughly enjoyed going back to the sixteenth century with Cat and watching her trying to fit in with everyone else.

The difference between the two centuries and the two men is a matter of misdirection. Putin enhances the public perception of his power while Obama downplays it. Putin's base likes their red meat raw while Obama's base prefers a soy burger that looks and tastes exactly like meat so that they can have an ersatz imitation of the real thing that preserves their moral superiority.
