Alphabet City is a documentary project on the Puerto Rican community of Manhattan's Lower East Side. I lived just a few blocks from the Alphabet City neighborhood when I began photographing there in the late 1970s. It was at that time the largest heroin market in the world.

Alphabet City — Geoffrey Biddle

I thought Alphabet City was a unique picture book that contained realistic illustrations of the alphabet that children could look for in a real world context. I enjoyed the story and I think that if I were reading this to a group of children it would leave plenty of room for add-in instruction; for example you could trace the letters with your finger as you read to show letter formations.
