### **How Do I Determine What Model My Old Buck Stove Is? | Hunker**

The Buck Stove Model 1110 Vent Free Gas stove or fireplace is built with a lower BTU capacity than the 1127 so that it may be installed into a bedroom (where approved by code). The Model 1110 features a factory installed variable speed blower system for added heat. This heater has a thermostat sensing bulb and will modulate the flame on or off based on the setting of the control dial.
