Buell vows to carry on - Road Rider Magazine

I just bought an 04 xb12r and am very excited to start modifying it. I wasn't sure if 130hp is a realistic mark to shoot for so I figured I would ask and see what kind of performance gains you guys are getting by switching to the buell pro series pipe or the D&D setup and running a power commander or any other mods that might get my new bike a little power.
