Frost in Attics: why is there Ice in my roof? When a warm sunny day arrives after a long cold stretch and it seems like you have a roof leak when there isn't a cloud in the sky, it's probably Attic Icing, otherwise known as Ice Dams or Ice Damming, and the surprising thing is that it's very unlikely that the roof covering itself is the problem.

Assemble the three cake layers with a thick layer of frosting in between the layers. Then apply a thin crumb coat on the top and sides. Pop cake in the freezer to harden the crumb coat for about 10 minutes. Apply one final thick and even layer around the outside of the cake and top with chocolate sauce if desired!

I leave the house at 6:30 am every weekday morning to make it down to the bottom basement—floor 2B—at UCLA's Westwood Medical Center by 7:30 am. There is a bright therapist named Hassan at my assigned machine, always the same, with a sweet attitude. He has me repeat my name, birth date and area of radiation each time before I enter the room.

**These Precious Days, by Ann Patchett - Harper's Magazine**  
Finally the old major flipped into battleground management mode: he grabbed the bird, clamped his hands around its beak, and thrust the struggling, swearing parrot, into the top drawer of the freezer, slamming the door tightly shut. The swearing and struggling noises continued inside the freezer for a few seconds and then abruptly stopped.
