Higher National Engineering - staging.epigami.sg

The attainment level of the qualification is roughly equivalent to 6th year at school, or one year of university in Scotland, and a Certificate of Higher Education but being less extensive than that of a Higher National Diploma (HND). Studied full-time, the qualification normally takes one year or two years part-time.

Higher National Certificate - Wikipedia

The Pearson BTEC Level 5 Higher National Diploma provides greater breadth and prepares learners for employment in the mechanical engineering sector. This qualification is suitable for learners who have already decided that they wish to enter this area of work.
