Depending on how much dirt you want to make you can add more coffee, baking soda, and coco powder. I just started with my one box of baking soda and added the rest to it. What I added above gave me enough dirt to use in our play that day. If you do not have coffee I would just add more cocoa to the mix.

### How to make sensory dirt {with stuff you probably already ...

Preschool Dirt Theme Dirt is made from rocks, plants, and animals which have broken down into smaller pieces with time and weather. Sand is made only from rocks which have broken down into tiny pieces. Another name for dirt is soil. Mud is wet dirt. Dirt varies in texture and color. It can have a tint of red, yellow, blue, brown or black.
