Internet Marketing: What Is It?

With how accessible the internet is today, would you believe me if I told you the number of people who go online every day is still increasing?. It is. In fact, "constant" internet usage among adults increased by 5% in just the last three years, according to Pew Research. And although we say it a lot, the way people shop and buy really has changed along with it — meaning offline marketing isn't ...

This story originally published on May 4, 2005. You probably have an image firmly planted in your mind of what network marketing (also known as direct sales or multilevel marketing) is all about -- housewives buying and selling Tupperware while gossiping and eating finger sandwiches, or a high-pressure salesperson trying to convince you how easily you can become a millionaire if only you and ...

When it comes to digital marketing, a strategy is the foundation of all your efforts. Every marketing action you take should tie back to your strategy and each should work as collaborative elements of a skillful marketing machine. Unfortunately, what most marketers refer to as a “strategy” is actually just an amalgam of individual tactics.

Paid channel marketing is something you've probably come across in some form or another. Other names for this topic include Search Engine Marketing (SEM), online advertising, or pay-per-click (PPC) marketing. Very often, marketers use these terms interchangeably to describe the same concept — traffic purchased through online ads.

The Beginners Guide to Online Marketing

Digital marketers know that Search Engine Optimization (SEO) is one of the most important investments to grow your business online and when done correctly, it can cost very little (besides your time) so you can use your marketing budget for things like ad spend. To many, SEO is an art form that combines content creation, branding,
