### **Kids in the Wild Garden: Fun Activities for the Great ...**

First published in 1870, The Wild Garden challenged the prevailing garden style of the day and advocated a naturalistic style, in which hardy plants, both native and exotic, are arranged in groupings that mimic wild landscapes. Thanks to Robinson's passionate advocacy, the naturalistic style triumphed, and Robinson's urgent message continues to resonate today.

### **How to Create a Wildlife Garden with Kids**

Years ago, I bought a magazine advertising an article about building a backyard wildlife garden. "What a great idea," I thought. And then I saw the photographs—a modest sized backyard filled with a falling-down rock wall, a huge brush pile, overgrown shrubs, a dripping hose over a cracked basin, and a variety of feeders and birdhouses crammed into the small space.
