Modern art includes artistic work produced during the period extending roughly from the 1860s to the 1970s, and denotes the styles and philosophies of the art produced during that era. The term is usually associated with art in which the traditions of the past have been thrown aside in a spirit of experimentation. Modern artists experimented with new ways of seeing and with fresh ideas about ...

Old Testament in the New Testament, the. The New Testament proclaims its indebtedness to the Old Testament on the very first page. Matthew begins with an Old Testament genealogy that makes sense only to those who are familiar with the people and events to which it refers (1:1-17).Thus the New Testament signals at the start an engagement with the Old Testament that touches every page and makes ...

Modern architecture, or modernist architecture, was an architectural movement or architectural style based upon new and innovative technologies of construction, particularly the use of glass, steel, and reinforced concrete; the idea that form should follow function (functionalism); an embrace of minimalism; and a rejection of ornament. It emerged in the first half of the 20th century and ...

While folks have been using this concept for a while, I was introduced to this idea from Steve McClure of the Seattle Mountaineers, a navigation expert and editor of the classic mountaineering textbook, "Freedom of the Hills". The takeaway: GPS is great for identifying your exact location. It's not so great, by itself, for following a complex off-trail route.
