Problematic is that the A's Manager, Art Howe, who also doesn't agree with or understand the strategy, refuses to listen to Billy about how best to manage the team as assembled. Billy knows that his and Peter's jobs are on the line if they don't produce, which he realizes means nothing less than winning the World Series.

Michael Lewis | The Official Website

In the 2002 season, the nation's lowest-salaried Major League Baseball team put together a 20-game winning streak, setting a new American League record. The team began that same season with 11 losses in row. What happened between is the stuff of "Moneyball," a smart, intense and moving film that isn't so much about sports as about the war between intuition and statistics.
