The One Page Novel Plot Formula - Novel Outline Template

The One Page Novel is a storytelling framework that shows you the big picture. As unlikely as it may sound, you really can condense and organise the plot of an entire novel on one sheet of paper. It was this simplification that helped me finish writing a novel for the very first time, and it

Download Ebook Novel Writing Workbook

It is a workbook, with very minor instructions or direction. I wished it would provide examples and comparisons. However, as a workbook, it would be helpful to those entering fiction writing for the first time. Again, it is a workbook and I feel those using it would still have to compensate the lack of theory by purchasing a companion book.
