Sharing office space might be a better solution than going into business together. I watched George and my father share office space for decades. They moved offices a few times over the years, and staff came and went. They survived together. The money was separate: each lawyer had his own checking account, his own trust account, and his own ...

Whitney v. California, 274 U.S. 357 (1927), was a United States Supreme Court decision upholding the conviction of an individual who had engaged in speech that raised a threat to society.

Whitney was explicitly overruled by Brandenburg v. Ohio in 1969.

## **Whitney v. California - Wikipedia**

A paradigm is presented in which both the extent of financial intermediation and the rate of economic growth are endogenously determined. Financial intermediation promotes growth because it allows a higher rate of return to be earned on capital, and growth in turn provides the means to implement costly financial structures. Thus financial intermediation and economic growth are inextricably ...
