Hi all ! My name is Vasily, I present to you my recording studio Engine voice records which is engaged professional recording of truck engines Euro truck simulator 2. In the future will be overwritten all part of the game, many different engines of brands will be recorded. The first sound is the sound of the Scania R 420 DC420 E5.

### Engine Voice Records-Professional sound recording

He's a 29-year-old Örebro native, who started at DK Transport about 18 months ago but has been driving trucks for 11 years. He's enjoying the field test, particularly being able to fend off other drivers' questions about why a truck disguised as an R 420 on the front is clearly pulling 60 tonnes with no problems at all.

### "The Scania 460 R future-proofs my business"

Scania R Series Review. The R Series is Scania's 44-tonne flagship and the redesigns of 2009 and 2016 made it one of the most imposing and impressive trucks in the segment - especially with the new Scania V8 engine.
