Books - Dennis Lehane

For better or for worse, Lehane's preferred technique for suspense in *Since We Fell* is the kind in which he tells us what's going to happen right up front, then makes us wait a few hundred pages for it to actually happen in the story. It's the very first thing we read, right there on page one:

a book review by Michael J. McCann: Since We Fell

(CNN)If you have a cat, you may fall in one of five categories ranging from "conscientious caretaker" to "tolerant guardian," according to researchers at the University of Exeter in England.
