Nigel Slater is a British writer that specializes in writing about food. Born April 5, 1958 in Wolverhampton, England, he is perhaps best known for his 2004 novel Toast, a journey into his past largely remembered through the food in his pantry and his desire for home-cooked extravagant meals while his mother attempted and generally burned dinner, serving as the back-up plan toast instead.

Nigel Slater - Book Series In Order

This book is particularly fun to read for anyone having spent a childhood in England. Some of the foods mentioned I had not heard of in years, but I clearly remember them. The title of the book is a bit misleading. Nigel Slater came from an affluent family so he never suffered hunger. This book associates food with his extended childhood memories.

As an instructor at a college, I have used the last three editions of Mr Slater's book since 1999. This has to be one of the most understandable, helpful and explanatory textbooks ever produced. The examples are clearly written, and the use of small, quick reference 'vignettes' make it so easy for the student to get answers to just about any ...
