Sounds other than the human voice also play a part in the theatre. These sound effects can be atmospheric like the wind, rain, or the crackle of an approaching fire. They can also be situational ...

The Role of Voice & Sound in Theatre | Study.com

In the early 1930s, sound-on-film began to supplant sound-on-disc as the technology of choice for adding a soundtrack to a movie. An interesting thing about sound-on-film is that the sound is several frames away from the corresponding images. This is because the audio pickup, or reader, is set either above or below the lens assembly of

Sound: A Reader in Theatre Practice - CORE

I've always loved going to the movies. Most of my childhood Saturday mornings were spent at the Palace Theater in Winchester, Virginia, where I could watch two films, cartoons, a newsreel, a short, and coming attractions—all for a quarter. About three years ago, I was surfing eBay and ran across a listing for a movie poster from the 1956 horror film The Mole People.

Using Sound Effects to Enhance Readers' Theatre

Reader's theater is a strategy for developing reading fluency. It involves children in oral reading through reading parts in scripts. In using this strategy, students do not need to memorize their part; they need only to reread it several times, thus developing their fluency skills. The best reader's theater scripts include lots of dialogue.

Reader's Theater | Classroom Strategies | Reading Rockets

A very different style, designed for greater appeal to young audiences, has been developed by Chamber Readers, the group that provided my own start in reader's theater. Chamber Readers is a professional, nonprofit reader's theater company in Humboldt County, California, promoting reading and literature since 1975.

RT Tips, Chapter 2 ~ Tips on Staging

Readers Theater is, in part, a performance. Most books don't get read more than one time. But these scripts get looked over and over 20- sometimes

30 times! Without knowing it, these kids could memorize the script without even realizing that they have been developing reading skills the whole time.
