Principles and Practice of Stress Management, Third Edition

"This third edition reclaims the preeminent position of this work as the primary text in the field. I have dozens of works on stress management on my shelves, but this one is among the most valuable and useful. I rely on it extensively in teaching and recommend it to my students as a vital reference and professional guide.

Principles and Practice of Stress Management - 3rd Edition ...

Reviews "This third edition has evolved into a more 'mindfulness' approach to stress management within a positive psychology framework. The student centered explanations to the neuroscience underlying the concepts are presented at a level of complexity that is appreciated by science majors, but reasonably comprehensible to the non-science major as well.
