The Fish Rots from the Head. All reform agendas run into the same problem: someone needs to implement the reform, and this someone needs to be more politically powerful than the entrenched interests that need reform. The big political incentive for a leader is to swoop in to fix an organization that is broken and get accolades for finally making government work.

The Fish Rots from the Head | Pedestrian Observations

The phrase, "The fish rots from the head," is sometimes used to express the idea that all problems in a company or country can be traced back to its leadership. The phrase suggests that corruption enters a country through its leaders, filters down to its citizens and, in some classic tragedies, even affects the environment.

"The fish rots from the head" | Brainstorm Warning

And if the fish rots from the head, then the counter-disinformation effort becomes actively harmful. It seeks to gentrify information networks that could offer layers of redundancy in the face of failures from legacy institutions. It is reliant on blunt and context-indifferent collections of bureaucratic and mechanical tools to do so.

The Fish Rots From The Head - Adam Elkus

— Bob Garratt, The Fish Rots From The Head: The Crisis in our Boardrooms: Developing the Crucial Skills of the Competent Director. 0 likes. Like "Directors' duties are both to work within the meaning and spirit of the laws and to behave in an ethical manner to their clients."

Bob Garratt Quotes (Author of The Fish Rots From The Head)

A fish rots from the head down after all. A leader has to be of a strong will and good character otherwise as it is said, the fish rots from the head down. The whole organization would then have to suffer because of it. His maid servant doesn't do anything as asked for.

The Fish Rots from the Head Free Summary by Bob Garratt

We all use dramatic language to present important ideas - and one that I always cite - "A fish rots from its head down." The meaning of this well-known phrase is clear in the corporate culture context - an organization with "rotten" leadership will inevitably perform poorly and managers and employees will likely engage in misconduct.
