The English School of international relations theory (sometimes also referred to as liberal realism, the International Society school or the British institutionalists) maintains that there is a 'society of states' at the international level, despite the condition of anarchy (that is, the lack of a global ruler or world state). The English school stands for the conviction that ideas, rather ...

Lebanese religious leaders stress unity after meeting with ...

Although the United Nations, founded in 1945, can still be regarded as a product of idealist political thinking, the discipline of international relations was profoundly influenced in the initial years of the post-war period by the works of "classical" realists such as John H. Herz, Hans Morgenthau, George Kennan, and Raymond Aron.

Political Realism in International Relations (Stanford ...

The days of jungle prints and millennials' favorite plant consuming our social feeds are over. Look to the forest floor to find the next flora of the moment.
