We’ve done it because one, the kids have to be in, and the kids noticed. The next day when they walked in the classroom, they said, Miss Tate, the floor’s clean, and I said it is. I cleaned it so that we could have a nice clean floor. And it seems like a simple thing, but they deserve to work in a clean environment,” she said.

Reminds me of the time when a guy at the car dealer I work at put an engine block in under warranty. When he was done he was filling up the coolant. A guy told me he put 4 gallons in there which is wayyyy too much. He ended up switching a coolant and a fuel vent hose and put all that coolant in the gas tank.

What is the worst mistake you've seen someone make at work ...

That's why for me it's one of the worst anime I've watched. If it wasn't for the high production values and unreal visuals, The Garden Of Words would NOT have done well as a movie (popularity wise). I think the visuals hypnotized fans into giving it a good rating because of how good it looks vs everything else it has to offer.

drug ivermectin is the new hydroxychloroquine, a repurposed drug touted as a “miracle cure” for COVID-19 despite evidence that is, at best, very weak and, at worst, supportive of the conclusion that ivermectin is ineffective against COVID-19. Then, two weeks ago, I posted a typically lengthy, detailed, and snarky ...
