Air Handlers. Our variable speed motors help homeowners evenly cool and heat every corner of your home with cleaner, more comfortable air. Every Trane HVAC air handling unit (AHU) can be paired with an air conditioner or heat pump to efficiently circulate cool or warm air throughout your house during every season.

Air Handlers | Premium Air Handler Systems | Trane® HVAC

Trane believes that responsible refrigerant practices are important to the environment, our customers, and the air conditioning industry. All technicians who handle refrigerants must be certified. The Federal Clean Air Act (Section 608) sets forth the requirements for handling, reclaiming, recovering and recycling of certain refrigerants and the equipment that is used in these service procedures.
