A River Runs Through It Quotes by Norman Maclean

A River Runs Through It and Other Stories was first published by the University of Chicago Press in May 1976, and has since been published in several formats: as a collection of short stories, bearing a title starting with that of the novella, and as a standalone novella, usually as an art book with many photographs or with many illustrations such as woodcuts.

A River Runs Through It (novel) - Wikipedia

Ways to Move Water Swales: Swales are shallow, elongated depressions in the land that collect and move water. They are visible in the landscape and often highlight the movement of water through their material choices and layout. Swales move water, but they also slow it down and allow it to percolate back into the ground to improve water quality.

How to Move Water Through Your Landscape
