Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

Whered You Go Bernadette Maria

Where'd you go Bernardette, by Maria Semple is simple a riot of a book. I laughed so uncontrollably in the plane that some passengers complained. A Seattle teenage girl tells the story of how and why her eccentric mother, who has alienated everybody around her, including her Microsoft geek of a husband, ends up lost in Antarctica.
