Don't get too hung up on correct categories so much as stretching the sorts of questions students ask. I'd never grade my kids specifically on putting questions into the 'right' categories. What I do hope to help them think about, however, is the importance of understanding WHAT sort of question is being asked - whether we're trying to dig around in history or address modern-day dilemmas.

A project plan is a formal, written document that lists all key project details like milestones, deadlines, sprints or tasks, and owners, in an effort to manage, track, and control a project throughout its lifecycle. A project plan helps direct efforts and budget, but will usually experience some (if not many) changes as the project moves forward.
